OUTREACH INITIATIVES

Establishment of an internship program designed to assist members of the community to acquire skills needed for broadcast employment: The Foundation continued its Internship Program for students, which allows them to learn more about employment opportunities in the broadcasting field. In the past year three interns completed an internship in our radio department.

Provision of training to management level personnel as to methods of ensuring equal employment opportunity and preventing discrimination: Our Director of Human Resources/Management Services attended a session on Making Harassment Unacceptable: Recognizing and Dealing with Unconscious Bias. The presentation was presented by the Toledo Metropolitan Area Council of Governments. Our Director of
Human Resources/Management Services also participated in a webinar that reviewed EEO rules. The webinar was put on by Stephen Hartzell of the Brooks Pierce law firm. All employees participated in The Corporation for Public Broadcasting’s anti-harassment training.

Participation in events or programs sponsored by educational institutions relating to career opportunities in broadcasting: We participated in four career days that explained what careers there are in broadcast.

Listing of each upper-level category opening in a job bank or newsletter of media trade groups whose membership includes substantial participation by women and minorities: The Marketing and Communications position was posted on the Ohio Association of Broadcasters’ website.
